WHO WE ARE

We turn local businesses into brands people follow, trust and buy from.

Bfly Digital is a digital marketing agency in Doha, Qatar. We build websites, run social media and design company profiles, and back them up with paid ads, SEO, accounting support and Zoho ERP. Pick one service, or let us run your whole digital presence.

FREE AUDIT

Every project starts here.

We review your website, social pages and competitors, then send you three quick wins.

- 1 Your website and social pages
- 2 What your competitors do better
- 3 Three fixes you can make this week

4

stages from first audit to steady growth

24h

to get a quote for your package

2-4

weeks to deliver a new website

8

Zoho apps we set up and connect

Local market know-how

We know Qatar's audiences and seasons like Ramadan and National Day, and what works here.

One team, everything online

Website, social and ads handled together, so your brand looks the same everywhere.

Clear monthly reports

Simple numbers on reach, leads and sales, explained in plain language.

Fast replies on WhatsApp

Message us anytime. We reply within business hours, usually the same day.

WHAT WE DO

Everything your brand needs online.

Choose one service or let us run your whole digital presence.

Website development

Fast, mobile-first sites that bring in enquiries and sales.

- E-commerce stores with online payment
- Dynamic sites with admin panel
- Static business & landing pages
- Domain, hosting & business email

Social media management

Instagram, Facebook, TikTok, LinkedIn and Snapchat run for you.

- Monthly content calendar
- Post & Reel design
- Captions and hashtags
- Monthly performance report

Paid advertising

Ads that reach buyers in Qatar and the GCC.

- Meta (Instagram & Facebook) ads
- Google Search ads
- Lead and sales campaigns

SEO & Google Business

Get found when people search for what you sell.

- On-page SEO
- Google Business Profile & Maps
- Review growth

Branding & content

A look people remember, used the same way everywhere.

- Logo & brand identity
- Product photo & video
- Email marketing

Company profile

A professional profile to send to clients, tenders and partners.

- Content writing
- Designed PDF profile
- Brochures & catalogues

BEYOND MARKETING

Run your business smarter, not just louder.

Finance support and connected Zoho systems that keep your business organised, compliant and ready to grow.

Financial management

- Monthly accounting & bookkeeping
- Internal audit & financial controls
- Strategic financial advisory
- Budgeting & cash-flow planning
- Financial statements: prep & review
- External audit support
- Accounting & finance review
- Performance & financial analysis

Accounting, sales, stock, HR and projects in one connected system.
Set up, automated and taught to your team.

HOW WE WORK

From cocoon to full flight.

Every client goes through the same four stages, so you always know what's happening and what comes next.

01 · EGG

Audit

We review your website, social pages and competitors, and show you what's holding you back.

Week 1

02 · CATERPILLAR

Plan

We agree on goals, budget and a content plan, with clear numbers to hit.

Week 1-2

03 · COCOON

Build

We design your website, brand assets and your first month of content.

Week 2-4

04 · BUTTERFLY

Grow

We launch, run ads, post every week and report results monthly.

Ongoing

PACKAGES

Start small. Grow when ready.
